Retail

Genesee Outfitters has the retail space to house a continuously growing inventory. We are dedicated to providing equipment and accessories which foster the interest, participation, and safe and informed enjoyment in the sports of firearm use, fly fishing and fly tying. Our inventory is growing dynamically with the needs of our customers so make sure to stop up and tell us what you need.

ORVIS equipment is on display for your perusal, inspection and purchase.

Public Shooting Range

Genesee Outfitters houses the area's first, public, indoor hand gun range. The range offers ten individual, shooting lanes – including a handicap accessible lane – each with their own retrieval system. Each user is able to position their own target anywhere from 0 feet (the firing line) to 75 feet away, and then retrieve it – all by pushing a few buttons. This allows each shooter to place the targets at distances they feel comfortable with while shooting at a pace that's right for them.

Genesee Outfitters also provides a selection of handguns which can be rented for use in our range. This allows you to try shooting different caliber handguns, before you make a purchase. Also, it will give you the opportunity to try out the sport and see if it's right for you, before you make an investment.

Lane rental is \$15 per hour with a 1 hour minimum and range passes are available. Firearms are \$10 per hour and ammunition must be purchased from Genesee Outfitters. Eye and ear protection is required at all times in the range.

Package rates are available for:

- Large groups (5 or more shooters)
- All-inclusive shooting (includes lane, firearm, ammo, targets, eye and ear protection)
- Unlimited range usage for 1, 3 and 6 month periods
- **CALL FOR DETAILS! (716) 665-2117**

Training Room

One of Genesee Outfitters' key focuses is training. Genesee Outfitters was founded to foster the safe, proficient and knowledgeable use of firearms as well as to develop and grow the participation in the sports of shooting and fly fishing in our area. Our dedicated training room provides a resource to do just that. Not only do we coordinate to provide hunter safety classes and pistol permit classes, but we also offer topics on personal safety, fly fishing, casting and fly tying to name a few. All of these courses are available to the public.

Additionally, our training room can offer your club or organization a meeting place for your regularly scheduled get-togethers or that once-in-awhile change of location. Contact us for more information.
